Softball Association**

123 Carter St.
Mooresville, IN 46158

Dear softball supporter,

The Mooresville Youth Softball Association is proud to offer recreational softball to the children in Mooresville at the Mooresville Sports Complex. Sports are an important part in the development of any child's life and we want to give children a chance to learn softball right here. We also want to give local businesses and residents a chance to be a part of this exciting league through donations, sponsorships, coaching or just registering local youth to join a team.

MYSA is dedicated to providing an opportunity for local youth to learn how to play the game of softball. We give youth in the area a chance to learn about teamwork, physical fitness and develop as softball players. Dedicated coaches and volunteers facilitate our athletes' growth through step-wise development of softball skills, instilling core life values of character, integrity, confidence, self-esteem and sportsmanship. Our teams promote our values both on and off the field. On the field, we strive to do our best, while off the field we strive to be an outstanding community citizen.

We play at Mooresville Sports Complex, which was formerly known as Sonshine Park. Practices will begin in March and play will begin in April with the expectation of being done by the end of May.

Our association is a non-profit organization under the umbrella of the Community Foundation of Morgan County, so all donations can be tax deductible. We will accept any size donation. All contributors will be recognized on our website. However, larger contributions will also be recognized through signage or as team sponsorships.

For \$200 businesses will be recognized through signage at the ballpark. For \$250 businesses or contributors can sponsor a team and their name will appear on team shirts. All contributors will be recognized on the website, www.mooresvilleyouthsoftballassociation.com.

If you would like to donate or sponsor a team, please make checks out to the Community Foundation of Morgan County with Mooresville Youth Softball Association listed in the memo line.
